

Dear Niki,

I am very please with the work you did on my wedding. Everything came together so well considering the short time we had to plan it. The colors on everything, the flowers, the cake, the tables, the dresses, was perfectly matched. I have recommended you to my sister, she is getting married next year. You should be hearing from her soon. I have included some pictures for your album.

Thank you so much for everything
Mrs. S. Jones
