To Whom It May Concern:

Our department picnic was a complete success! Even though, I was undecided on a color scheme during the planning process, your designs incorporated the UPS Freight colors perfectly. We also weren't sure what to expect as far as the turnout, but there was enough food and drink for everyone. Your estimates were on point.

All of the children had a blast playing the games that was coordinated. I think we would all agree the potato sack races were the best. The staff continues to rave about the picnic, and the people that weren't there are asking about next year's.

I will definitely keep you in mind for future events (business and personal) and I have already begun to refer business your way.

Best Regards,
